Second Annual Indie Author Day at Wichita Falls Public Library

For the second consecutive year, Wichita Falls Public Library will host Indie Author Day on October 12, 2019 from 10 am to 4 pm. Indie Author Day is recognized across North America by libraries as an opportunity for local independent authors to discuss their publishing process. During the program, authors will talk about their experiences, give book talks and readings, and share information with the community. This is a free event open to the public.

“Last year, our first to participate in National Indie Author Day, was an overwhelming success, so we have dedicated a larger space and already have 28 Texoma authors participating.” said Angela Hill, Assistant Administrator, Information Services.
