### **Lane Closures on Call Field at Kemp due to Sewer Maintenance**

The Sewer Rehabilitation Division will be performing a scheduled manhole repair in the road at Call Field and Kemp. The work will start at 5AM on Tuesday, March 24<sup>th</sup> and is estimated to last through 5PM on Friday, March 27<sup>th</sup>. This repair will require the closure of the two right hand, east bound lanes of Call Field.

This work is considered routine, however, this is just an estimate on the amount of time that it will take to repair the manhole and the subsequent repair of the street. Please take this road closure into account when traveling the Call Field and Kemp route.

We appreciate your continued understanding and patience as we continue to maintain the Sewer system. For more information, you may contact the Public Information Office at 940-761-7401, or the Sewer Rehabilitation Division at 723-5573.
