**For Immediate Release  
February 10, 2021**

### **City of Wichita Falls Bus Closures and No Organics Recycling**

Wichita Falls, Texas – Due to the current road conditions, FallsRide will be closing at 9am today. The Travel Center will also be closing at 9am today. The Public Transportation Department will be evaluating road conditions throughout the day for service times on Thursday, February 11, 2021.

In addition, there will be no organics recycling pick-ups today. The Public Works Department is delaying pick-ups until tomorrow and will attempt to run the green cart route once the Thursday trash route is completed.

All roads appear to have a thin sheet of ice and are not expected to clear up throughout the day. The Streets Department is applying rock mixture to help with traction on hills and intersections. Residents are encouraged to stay off the roads and/or proceed with extreme caution if you must travel on the roads.

Please continue to monitor our website and social media pages for further updates.
