**Wichita Falls – Wichita County Public Health District
Week 16 Vaccine Allocation Update**

Wichita Falls, Texas – The Wichita Falls – Wichita County Public Health District will be receiving 2,000 first dose Moderna vaccines for the Week 16 allotment. At this time, the Health District has over 500 vaccine appointment spots that need to be filled for this week. As of today, the Texas Department of State Health Services has opened vaccines for all adults. Those who want a vaccine are encouraged to visit wichitafallstx.gov to register for an appointment.

In addition to the Moderna vaccines the Health District is receiving, the National Guard team will be in Wichita Falls this week as well. They are scheduled to administer the Johnson and Johnson vaccine to homebound individuals on Tuesday, March 30 and Wednesday, March 31. To schedule an appointment, individuals do not have to register online. They only need to call the Health District Hotline at 940-761-7909.
