July 6, 2021

Midwestern Parkway Bridge Closure

Wichita Falls, Texas – Repairs on the Midwestern Parkway north bridge, that crosses Holliday Creek, will begin Thursday, July 8. During this time, the north bridge will be closed and two-way traffic will be routed into single lanes on the south bridge. Detour signs will be posted at Hamilton Boulevard and Lake Park Drive where they meet at Midwestern Parkway. The traffic signal at Midwestern Parkway and Hamilton Boulevard will be changed to an all-way stop during this detour.

The repairs are expected to take approximately 30 days, weather permitting. Please use caution and drive slowly when traveling in this area. We appreciate your understanding and patience as Public Works completes the necessary repairs to the Midwestern Parkway bridge.

For more information or questions, please contact the City of Wichita Falls Engineering Division at 940-761-7477.
