July 27, 2021

Road Closure and Detour on Tenth Street between Fillmore and Taylor

Wichita Falls, Texas – The Sewer Rehabilitation Division will be performing a scheduled manhole repair located in the road of Tenth Street, between Fillmore and Taylor. Repairs are scheduled to begin today, Tuesday, July 27. The repair of the manhole is considered routine. The remainder of the road closure time will be devoted to street repair.

This repair will require the closure of both east and west bound lanes of Tenth Street. Please see the attached map for the detour routes.

- West bound traffic on Tenth Street will divert south onto Taylor to Avenue B, and then east back to Tenth Street along Fillmore.
- East bound traffic on Tenth Street will divert north on Fillmore to 9th Street, and then south back to Tenth Street on Taylor.

Please take the road closure and detours into account when traveling on Tenth Street, east of Kemp. The Public Works Department appreciates the public's continued understanding and patience as City staff continue to maintain the sewer system.

For more information, contact the Sewer Rehabilitation Division at (940)723-5573.
