Pediatric Pfizer COVID-19 Vaccine

Wichita Falls, Texas - The Wichita Falls-Wichita County Public Health District has received 600 1st dose of the pediatric Pfizer COVID-19 vaccine and will begin providing the vaccine as of November 4, 2021. The Texas Department of State Health Services has notified vaccine providers that they should begin to administer the Pfizer COVID-19 vaccine to individuals from 5 to 11 years old, in line with federal guidance. This notice comes after the U. S. Food and Drug Administration and the Centers for Disease Control and Prevention Advisory Committee approved an emergency use authorized of the Pfizer vaccine for adolescents ages 5 to 11 years old on October 29, 2021.

Parents are encouraged to contact their child's pediatrician with questions or vaccine availability.

To receive your vaccine at the Wichita Falls- Wichita County Public Health District, please register online at <https://us1.quickscreen.health/wichita-falls-vaccinations#/screening>
