City of Wichita Falls Emergency Repairs on Major Water Leak

Wichita Falls, Texas- The Water Distribution Department is in the process of implementing and emergency repair of a water main break on the 24" water main under Old Iowa Park near Fell Lane.

In order to repair the leak water had to be turned off to residents along Old Iowa Park Road, Fell Ln, Jerry Ln and Talley Ln. Crews will work through the night and should have water service restored by 6 am on Wednesday morning.

We appreciate your continued understanding and patience as we continue to maintain the Distribution system. For more information, you may contact the Public Information Office at 761-7401, or the Water Distribution Division at 761-4333.
