### **2021 Sewer Budget Utility Improvement Project Phase 2**

Wichita Falls, Texas – As a part of the 2021 Sewer Budget Utility Improvement Project Phase 2, construction work will take place on Brook Avenue, between Ardath Ave & Kell East Frontage Road. The construction shall take approximately 6 weeks to complete, weather permitting. Construction began March 16, 2022 with northbound traffic being detoured around the construction site through adjacent streets. Southbound traffic will remain open through the construction site. Contractor will work in one block sections at a time to minimize disturbance and so the traffic control will be set up on a per block basis as work progresses north.

Please use caution and drive slowly when traveling in this area. We appreciate your continued understanding and patience as Public Works continues to repair sewer lines during this project.

For more information or questions, please contact the City of Wichita Falls Engineering Division at (940) 761-7477.
