## **Downtown Zoning Realignment Area Zone Meetings**

Wichita Falls, Texas – The City of Wichita Falls is hosting a series of public meetings for each downtown zoning district. These meetings are intended to help owners and tenants learn about the proposed zoning changes related to permitted and conditional uses, development standards (e.g. setbacks, heights, etc.) and non-conforming uses as part of implementing the City Council’s Downtown Strategic Plan.

The four small area zone meetings will all be held at the Wichita Falls Public Library at 600 11th Street Room 205. The meeting room is accessible by elevator from the entrance lobby.

We encourage citizens to participate by attending these meetings and providing feedback on land uses that will help downtown continue to flourish & revitalize.

Monday, March 28th – 6:00 pm: River Development District (RDD)

Thursday, March 31st – 6:00 pm: Central Business District (CBD)

Tuesday, April 5th – 6:00 pm: Light Industrial-Downtown (LI-D)

Wednesday, April 6th – 6:00 pm: General Commercial-Downtown (GC-D)

For questions contact the Wichita Falls Planning Division, Karen Montgomery-Gagné at (940) 761-7451.
