## **Wichita Falls Animal Services Temporarily Waving Adoption Fees**

Wichita Falls, Texas –The City of Wichita Falls Animal Services has had an increase in animal intakes for the past few weeks. In hopes of helping these animals find homes, the City is waiving adoption fees through Saturday May 21st.

Included for each animal adopted:

- Vaccinations,
- De-Worming,
- Feline Leukemia testing for cats,
- Heartworm testing for dogs 6 months and older,
- Flea and tick preventative, and
- Microchipping.

In addition to the fee, adopters must pre-pay for the animal to be spayed or neutered at their veterinarian of choice. Adopted adult animals 6 months or older will be taken to the chosen veterinarian's office by Animal Services staff. Puppies and kittens under 6 months will be given a date that the procedure must be completed by with a pre-paid receipt on file.

Anyone considering adopting an animal is encouraged to come to the Animal Services Center and get pre-approved to adopt. You can visit the website at
