- 1. Take action on a recommendation concerning designating the boundaries the Heart of the Falls Neighborhood Revitalization Area as a Reinvestment Zone to the City Council**

Chairman Mitchell turned the floor over to staff to discuss designation the boundaries of the Heart of the Falls Neighborhood Revitalization Area as a Reinvestment Zone. Staff advised the Committee had previously recommended the adoption of the Neighborhood Empowerment Zone (NEZ) to the City Council. One of the key elements of the NEZ is municipal tax abatement as an incentive. Staff advised under Texas Tax Law, to be able to offer tax abatements a City must designate and create a Reinvestment Zone before the NEZ could be adopted by the City Council and tax abatements offered.

The Committee asked if Reinvestment Zone designation was needed for the other incentives the NEZ offered and staff advised no, it was only for the tax abatement portion of the NEZ.

Councilor Flack made a motion to favorably recommend designation the boundaries of the Heart of the Falls Neighborhood Revitalization Area as a Reinvestment Zone to the City Council. Mr. Jose Garcia seconded the motion which passed with a vote of 4-0.

**2. Take action on a recommendation concerning the designation and creation a Neighborhood Empowerment Zone (NEZ), located in the Heart of the Falls Neighborhood Revitalization Area, and directing staff to implement incentives, strategies, property maintenance codes, and design guidelines outlined, as an element to the Heart of the Falls Neighborhood Revitalization Plan as previously adopted by the City Council**

Staff advised the Committee that the Neighborhood Empowerment Zone (NEZ) would be familiar to them as it and its key elements, incentives, Design Guidelines, and Property Maintenance Code had been discussed at length at many previous meetings. Staff stated they had brought this back to the Committee as they wanted a formal recommendation to present to City Council for adoption.

Staff advised they only changes since they had last seen the NEZ was verbiage clarification on the Lien Release Program.
